About Me

Hi im Shemmy Nyirenda, a web developer who loves all things code and Tech related, loves to learn new things and is open to new ideas.

Technical Skills

★ FrontEnd

- JavaScript
- HTML
- CSS

★ Backend

- TypeScript
- NOSQL
- Firebase

Personal Projects

- RiceDroid Website : [link](#)
 - A website I built using [React.JS](#) and styled using [Material UI](#) library to provide a way to easily access and track the development of the [RiceDroid](#) project which is now called RisingTechOS.
 - Technologies used: React.js, HTML, TypeScript, TailwindCSS and Node.js
